

Post-Graduation Sector of Work

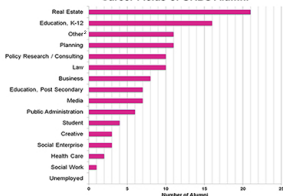

"Those experiences [in URBS] provided moments of insight that have stuck with me and helped me to not only understand my profession, but also everyday experiences in the city."

Most Useful Strategy for Obtaining Employment

"The URBS network is great. People from [URBS] are interesting and in a variety of fields. The network is almost as valuable as the degree because I keep learning from the people in the program."

Career Fields of URBS Alumni

1. Strategies in this category include previous employment, internships, cold calling, and connections with Teach for America

2. Other career fields in this category include leadership development, social enterprise, consulting, and energy / utility
